

Horndean Infant School Sport Premium Funding 2016-17

The Sport Premium Funding was introduced to schools in May 2013, with money being made available to schools from October 2013. In light of the success of the Olympic Games, the government are spending over £450 million on improving physical education (PE) and sport in Primary schools over the 4 academic years 2016 to 2017, 2017 to 2018, 2018-2019 and 2019 to 2020. This extra funding has been allocated directly to Primary Headteachers, with schools being given freedom to spend the funding in ways that will enhance pupils' participation and attainment within PE and Sport.

Here at Horndean Infant School, we have been allocated £8,350 for the academic year 2016/17. Members of staff have met to decide ways in which the funding can be spent to enhance our PE provision and provide new, exciting ways to broaden our children's sporting experiences.

The school Premium funding will be used in line with our aims to achieve our school vision:

- For children to feel good about themselves, value their emotions and talk about their feelings and opinions.
- To have confidence in their own ability to be successful and develop as self-motivated learners.

With this funding we aim to:

Encourage healthy lifestyles

- we will offer the children new experiences, with the focus on carrying on these sports as they get older.
- Improve uptake of extra-curricular sports across the school.

How the PE School Sports Premium was used in 2015/16

How it was used	Cost	Impact
Morning Multi Skills sessions.(Once a week for 15 children a year group- 20 mins)	£1950	<p>These sessions were aimed at children who needed a boost in order to improve their fundamental skills within PE. Sessions were run early morning by CM sports coach for six weeks. Children were assessed throughout the sessions and made improved progress.</p> <p>In KS1 all children know, apply and understand the matters, skills and processes specified in the KS1 programme of study.</p> <p>In YF all children in the targeted group have been practising the Solent NHS Motor Skill development program and have progressed to section 3 part 7.</p>
CM Sports sessions to improve fundamental skills and competitive sports skills for all children. (45 minutes for every child a week in every year group)	£6348	<p>All Multi Skills sessions are now part of a clear progression between the different year groups focused on fundamental skills and introducing competitive sports. Coaches work alongside class teachers in creating an energetic, focussed learning environment. Children are assessed termly by class teachers to ensure children are making good progress.</p> <p>Coaches have also introduced a carnival style dance inspired by the Rio 2016 Olympics and a mix of Paralympic sports including sitting volleyball to link to the Rio 2016 Paralympics.</p>
CM sports to run inter house sports competitions as part of our sports day. (1 day a year)	£600	<p>Children spent the half term in preparation for the inter house sports day at the close of the year. Children focus on a competitive element of fundamental skills/ sports. The 2016 Games is linked to Rio 2016 and has had a carnival Olympic theme to close the end of our Rio Creative Week.</p>

How the School Sports Premium will be spent in 2016/17

How it will be used	Cost	Impact
Dance Teacher to run extra-curricular dance club	£3,600	Children to have access to an active extra-curricular club to provide opportunities for children to engage with dance outside of the curriculum provision.
Coomber Stereo	£500	Robust Stereo that can taken anywhere on the school grounds so that Dance sessions can be run with reliable equipment. Children will be able to perform Dance in different parts of the school meaning extra Dance sessions can be run regardless of hall timetable therefore giving children the opportunity to have more than 2 hours of PE a week. Also to be used during lunchtimes in the dance area to encourage healthy active lifestyles.
Free club places for Pupil Premium Children for a term	£800	Opportunity for children who are Pupil Premium to access the paid for extra-curricular sports clubs. Aim of sessions to improve general motor skills and to promote a healthy lifestyle for all children.
