

Horndean Infant School Sport Premium Funding 2014-15

The Sport Premium Funding was introduced to schools in May 2013, with money being made available to schools from October 2013. In light of the success of the Olympic games, the government are spending over £450 million on improving physical education (PE) and sport in Primary schools over the 3 academic years 2013 to 2014, 2014 to 2015 and 2015 to 2016. This extra funding has been allocated directly to Primary Headteachers, with schools being given freedom to spend the funding in ways that will enhance pupils' participation and attainment within PE and Sport.

Here at Horndean Infant School, we have been allocated £9,350 for the academic year 2014/15. Members of staff have met to decide ways in which the funding can be spent to enhance our PE provision and provide new, exciting ways to broaden our children's sporting experiences. The school Premium funding will be used in line with our aims to achieve our school vision:

- For children to feel good about themselves, value their emotions and talk about their feelings and opinions.
- To have confidence in their own ability to be successful and develop
- as self motivated learners.

With this funding we aim to:

- Encourage healthy lifestyles – we will offer the children new experiences, with the focus on carrying on these sports as they get older.
- Improve uptake of extra-curricular sports across the school.
- Further enhance the quality of teaching in PE - our children will experience high quality coaching from experts who will work alongside our teachers.

How the PE School Sports Premium was used in 2013/14

How it was used	Cost	Impact
CPD sessions for PE Co-ordinator focussed on gymnastics.	£1000	Complete overhaul of gymnastics planning. Gymnastics sessions are now of a high quality. Staff are confident teaching gymnastics and are supported by the PE coordinator. Children now receive 3 half terms of gymnastic sessions each year. Children have been making a high level of progress within gymnastics and are motivated in all gymnastics sessions. PE coordinator now runs CPD sessions for School Direct Trainees.
Morning Multi Skills sessions.(Once a week for 15 children a year group)	£1950	These sessions were aimed at children who needed a boost in order to improve their fundamental skills within PE. Sessions were run early morning by CM sports coach for six weeks. Children were assessed throughout the sessions and made improved progress.
CM Sports sessions to improve fundamental skills and competitive sports skills for all children. (45 minutes for every child a week in every year group)	£6,400	All Multi Skills sessions are now part of a clear progression between the different year groups focused on fundamental skills and introducing competitive sports. Coaches work alongside class teachers in creating an energetic, focussed learning environment. Children are assessed termly by class teachers to ensure children are making good progress.

How the School Sports Premium will be spent in 2014/15

How it will be used	Cost	Impact
CPD sessions for whole staff focussed on Dance progression within EY and KS1	£TBC	Support from Dance Specialist from HTC to run twilight sessions for all class teachers in Dance progression. Will ensure good subject knowledge for all teachers and will be working towards creating new medium terms in Dance for all year groups. Children will receive better teaching and will be motivated by dances linked to their topics.
Dance Teacher to run 2 weeks dance for all year groups.	£TBC	Children receive two weeks of dance from outsourced dance teacher. Children receive an energetic Dance session focussed on one of their topic areas. Children's attainment in Dance to improve and also encourage links so that children have opportunity to take up extra-curricular Dance.
Coomber Stereo	£500	Robust Stereo that can taken anywhere on the school grounds so that Dance sessions can be run with reliable equipment. Children will be able to perform Dance in different parts of the school meaning extra Dance sessions can be run regardless of hall timetable therefore giving children the opportunity to have more than 2 hours of PE a week.
Morning Multi Skills sessions.(Once a week for 15 children a year group)	£1950	These sessions are aimed at children who need a boost in order to improve their fundamental skills within PE. Sessions will run early mornings by CM sports coaches for six weeks. Children will be assessed throughout the sessions to ensure

		good progress.
Free club places for Pupil Premium Children for a term	£714	Opportunity for children who are Pupil Premium to access the paid for extra-curricular sports clubs. Aim of sessions to improve general motor skills and to promote a healthy lifestyle for all children.
CM Sports sessions to improve fundamental skills and competitive sports skills for all children. (45 minutes for every child a week in every year group)	£6,400	All Multi Skills sessions are part of a clear progression between the different year groups focused on fundamental skills and introducing competitive sports. Coaches work alongside class teachers in creating an energetic and focussed learning environment. All Children are assessed termly by class teachers to ensure they are making good progress.
Excess funding to be spent as needs/opportunities arise e.g. CPD, talks/PE sessions from professional athletes etc
